JOB VACANCY AT PETROPARS Ltd

Petropars Limited (PPL), as the major developer of South Pars Gas Field and as a Company, pioneer in Iranian oil and gas industries, has vacancy in the following positions to be filled by well-qualified and well-educated workforce to contribute, at PPL Tehran Headquarters and Assaluyeh Operation Base, to the completion of projects Petropars has under execution presently.

QUALIFICATIONS

1. B.S./B.A. or higher degree from Iranian universities and higher education institutes approved by the Ministry of Science, Research and Technology, or from internationally-recognized universities as evaluated, approved and confirmed by the Ministry of Science, Research and Technology of Iran
2. Having the minimum cumulative average of 14 and 16 respectively from high ranked state universities and from other universities is a MUST.
3. Applicants should satisfy the requirements, including educational degree, field of study and years of experience, which are set below for the positions.
4. Full proficiency in English language skills
5. Computer and software literacy as required for every position

It should be noted that with respect to the positions vacant in Assaluyeh Operation Base, the experts and specialists coming from neighboring cities and Provinces will be prioritized. Applicants are invited to submit their Resumes/CV's indicating personal particulars and professional background, within but not later than ten (10) days after the date of release of the present Advertisement to <http://www.petropars.com>
